HOTELS

MOTEL COURTESIES TO OBSERVE

We are counting on you to be on your best behavior in order to maintain the working relationship with our motels and campgrounds. Our hard-earned reputation, as well as our ability to continue hosting trials, is certainly on the line and dependent on YOUR cooperation. We follow up on any complaints from motel owners or guests, so please report any issues to us.

- ◆ Of course, as is standard agility procedure, all handlers/owners will pick up after their dogs. Please bag and dispose of dog waste properly.
- ◆ Please cover the motel's bedding with a sheet or blanket from home, whether or not you think your dog will get on the bed.

Don't EVER leave dogs unattended. Take them with you when you go out for dinner. Even the best of dogs can get carried away in a motel room without you present.

PARKING:

- There is ample parking on grass adjacent to the arena – please don't park on the roadway. Please obey parking attendants and posted signs.
- Parking is not allowed on the grass between the tree row and the arena – obey posted signs.
- Daytime shade tents are permitted behind your vehicle. Please be considerate of your fellow exhibitors - don't set your tent up or park so that you are blocking someone else. If you are blocking someone, you will be asked to move. There will be a designated tent area if you plan to leave a shade tent overnight. No overnight tent camping is permitted.
- If you plan to work out of your car and leave your engine running, you must park in the designated idling car area to avoid impacting other dogs/tents. If there are any complaints, you WILL be required to move your vehicle.
- Parking at the front entrance to the arena is restricted to club members. Limited handicapped parking spots are available on a first-come, first-serve basis.
- No RV parking in the exhibitor car parking areas: overnight RVs must park in the RV area. Day RVs should discuss parking arrangements with RV coordinator prior to arrival.

CRATING:

- There will be limited crating under cover in the arena. Please be considerate of your fellow exhibitors and conserve space where possible.
- Crate-aggressive dogs should not be crated in a high-traffic area – walkways etc. -- and may be required to move if they exhibit a repeated pattern of crate-guarding.
- Crating is on the same dirt as the rings; we suggest using a tarp to protect your crates and belongings.

POTTING YOUR DOG:

- **PICK UP YOUR POOP!** Anyone observed not picking up after their dog will be asked to leave the trial for the balance of the weekend with no refund of entries.
- Do not allow your dog to potty on anything man-made – the building, trash receptacles, etc. Remember, someone has to handle those things.

OFF-LEASH DOGS:

- Dogs are required to be on leash at all times on the ENTIRE Horse Park property other than during actual competition or at the warmup jump(s).
- Per our contract: Intentional unleashed dogs subject to capture and/or fine and removal from Horse Park by Upper Freehold Twp. Animal Control. There is an additional \$75.00 fine per dog and per occurrence payable to the Horse Park.
- Violators will also be asked to leave for the balance of the trial weekend with no refund of entries.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring.
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FEO runs WILL be allowed at this trial.

Wait List for Withdrawn Entries after Closing

This trial is offering a Wait List to fill openings created by withdrawn entries after the trial's closing. A maximum number of entries will be placed on the wait list based on the entry limits as follows:

If trial is one ring/330- 350 runs, maximum will be 25 entries on the waitlist.

If the trial is 2 rings/660 - 700 runs, the maximum will be 50 dogs on the waitlist.

If the trial is 3 ring/ 990-1050 runs, the maximum will be 75 runs on the waitlist.

All entries, including wait listed entries, must be received by the Trial Secretary prior to the trial closing date. Any entries withdrawn that are received by the **Wednesday** ONE WEEK BEFORE the trial weekend @ 8 am will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a waitlisted entry, a refund will be issued for the withdrawn entry **minus a \$5 processing fee**. Any waitlisted entry that does not move off the wait list into the trial by **Wednesday @ 8 am** ONE WEEK BEFORE the trial weekend will receive a refund.

If there is no waitlist, then there is no refund if you want to pull after the closing date.

If you have not heard about your Wait List status by Friday before the trial weekend, contact us ASAP.

MOVE-UPS

TRIAL NAME, Owner's Name & Dog's Call Name
Move-up for what days (Friday, Saturday, Sunday, etc.)
Moving from (include STD, JWW or FAST)
Moving to (include STD, JWW or FAST)

Remember that you must send a **separate email** with the trial name in the subject line for **each trial move-up or cancellation**. Each trial is a separate database.

Emails sent to us regarding move-ups, cancellations, etc will be addressed on a priority basis. All correspondence will be processed within one week of receipt; however, those emails that pertain to the current trial will be processed before emails regarding trials that are scheduled for a later date.

We *always* send a reply email to all emailed cancellation requests when they are processed. We *always* send a reply email with a revised confirmation attached to all emailed move-up requests when they are processed.

If a response is NOT received before the above deadlines please email it again and **also** send a backup fax request. We cannot accept move-up requests verbally. All move-up requests must be emailed, faxed, or mailed. Our Fax number and phone number are always in the premium. ISP SPAM filters can cause non-delivery of emails. Just because you sent an email to cancel or to move-up – that does not mean that we received. If you do not get a reply - then it means we never got it.

The move-up deadline is 6:00 p.m. the Monday prior to the trial weekend.

Cancellation and changes to classes, except move-ups, must be made before the **trial closing date and time (see premium for exact details)**. Please remember that Fast Times and the club are not responsible for emails that do not get delivered. We will not cancel an entry after the closing date and time or make a move-up after the move-up deadline due to non-delivery of an email *request!*

DAY-TO-DAY MOVE-UPS are for dogs entered at a set of back-to-back agility trials and must be submitted in writing at the trial within ½ hour after the last run of the trial day for the following day(s) and **cannot be conveyed via fax, email, or verbally to the trial secretary.**

NOVICE MOVE-UPS: Dogs or Handlers having attained ANY AKC Agility Title (Std, JWW, OR FAST class) **must be moved to the Nov B Classes** (Std, JWW and FAST classes). PLEASE LET US KNOW AS SOON AS YOU REALIZE THAT A CHANGE IS NEEDED. Once we print all of the trial paperwork on Tuesday before the trial, it is a much bigger problem to fix. This request must be made in writing at least 30 minutes before the start of the trial. This request must state the reason and justification for the change from Novice A to Novice B. The dog can also be moved up a level (Nov to Open) at the request of the owner subject to the normal move-up criteria.

NOTES FROM TRIAL SECRETARY

1. Please remember to check the No Signature Required box **AND** sign that spot where you authorize them to deliver any overnight package. Our Post Office knows that we do not accept signature-required packages and they will not even attempt to deliver them. They just mark them "Refused" and return them to the sender. We never even know that you sent that package to us.
2. Remember that the Move-up Deadline for your first day of a weekend trial is **ALWAYS Monday at 6 pm prior to the trial weekend**. Please send those move-ups in right away.
3. Please review the section about Move-ups as we have added more clarification about requesting move-ups before and at the trials.
4. With all the paperwork we handle, mistakes are inevitable. We send out both Preliminary Confirmations and Final Confirmations. **PLEASE read these and double check that all the information is correct.** Having to change Gate boards, scribe sheets and computer records the day of the trial or the week of the trial is very difficult.

Simplified Jump Height Card Process

When filling out the entry form, there is a section at the top of the form for exhibitors to designate if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the "*Dogs To Be Measured*" list. **It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.**

How do I know if I have a valid jump height card?

If your dog is under the age of two years as of the trial's date: One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow copy, otherwise your dog needs to be measured. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

If your dog is the age of two years or older as of the trial's date: A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

Exception to the 2 permanent measurement requirement: If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the top left corner of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

What if my dog measures into a different jump height then what he is entered?

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

May I challenge my dog's jump height card measurement?

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

What is the jump height card challenge process?

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.*

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine Partners Program are eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
