PRELIMINARIES
First Two Rounds (STD & JWW)

1. These two rounds will be scored as AKC qualifying runs. Any Q's achieved will count with AKC towards regular agility titles. Jump heights offered 4"-24". There is no 24C class level offered. Dogs that measure 22" and under cannot enter the 24" jump height in the 24C class at this event. Dogs may run in the Preferred jump height in both rounds.
2. Dogs may not run at a higher height than their true measured jump height in STD and JWW rounds or in the Championship round.
3. Dogs may run at their Preferred jump height in STD and JWW rounds. For purposes of the eligibility and placement for the Championship round, they will be scored and placed within their true jump height group during the re-scoring process. See below for more details.
4. Judging will begin at 8:00 AM.

Requirements and Scoring for eligibility into the WKC Championship round. STD and JWW runs will determine eligibility:

1. Dog must Q in one of the first two runs (STD and/or JWW) in order to be eligible for the Championship round. Elimination (E) or being Absent from either round (STD and/or JWW) will eliminate eligibility for championship round with a no score.
2. Scoring for eligibility to the Championship round will be the combined actual running time of both runs plus any faults (this includes time faults).
 - a. R, W, T will be assessed 5 points.
 - b. F will be assessed 10 points.
 - c. Course time faults will be 3 points for every full second over course time.
3. After these first two rounds the data will be re-scored to determine eligibility for the Championship round. Dogs will be placed in order of the lowest combined score within their true AKC jump height.
4. All dogs in the regular level will be required to jump at their AKC regulation jump height based on the shoulder height. Any dog needing measurements must be measured before running. The 4 Paw Safety rule will be in effect.
5. Dogs that ran in the preferred jump height level in the first two rounds must run at their Preferred jump height in the Championship rounds. There is not a separate Preferred Championship round.
6. For purposes of the placement for the Championship round and overall WKC Master Champion, they will be scored and placed within their true jump height group: *
 - 4" Pref / 8" Reg - all scored together as true jump height 8"
 - 8" Pref / 12" Reg - all scored together as true jump height 12"
 - 12" Pref / 16" Reg - all scored together as true jump height 16"
 - 16" Pref / 20" Reg - all scored together as true jump height 20"
 - 20" Pref / 24" Reg - all scored together as true jump height 24"

7. A maximum of 10 dogs from each jump height will be selected for the Championship round.
8. In each jump height, the top 3 qualifying dogs, regardless of breed, will be chosen for the Championship round. After that, additional dogs will be chosen by individual breed. One of each breed from the remainder of the qualifying dogs in each jump height will be chosen until the limit is reached. One qualifying Canine Partner will be included in the breeds selected to make up the 10 dogs chosen in each jump height.
9. If there are not enough individual breeds to make up the 10 dogs in each jump height, the next dog with the lowest combined score will be included regardless of breed. This means that more than one dog of any breed may be chosen.

FINALS

WKC Championship round Scoring and Awards:

1. The Championship course will be a modified Time to Beat style course with a Dog Walk added. The WKC Championship Scoring will be using modified Standard Course rules.
 - a. There will be no Refusals or Runouts (R) called.
 - b. Each Wrong Course (W) will be assessed a 5 point fault.
 - c. Each Failure to Perform (F) will be assessed a 10 point fault.
 - d. Course Time Faults will be 3 points for every full second over Standard Course Time (SCT).
2. Each Dog's Championship Round Score will be calculated using dog's running time plus any course or time faults (please remember there are no refusals scored in this round but there are time faults). Placements within each true jump height will be determined using championship round score.
3. The overall Master Championship Round Score will be calculated by taking the Championship Course Yardage for the dog's true jump height divided by the dog's Championship Round Score (which is calculated using dog's running time plus any course or time faults.) for the 1st place dogs of each jump height. The highest result will determine the overall WKC Master Champion. For example, a dog with a Championship Round Score of 39.23 and a Course Yardage of 112 yards then the dog's Master Championship Score would be 2.85.
4. This event will be televised, nationally on the FOX Broadcast Network on Saturday, June 10th beginning at PM. As such, Westminster encourages that all exhibitors dress in clean and presentable attire in an effort to present an appropriate image of our sport. No bare feet please. Our presenting sponsor, Purina/Pro Plan will provide exhibitor shirts.
5. FCI exhibitors must be pre-qualified prior to entering the trial. AKC will review FCI titles to determine if they equate to the corresponding US titles. Entry forms must be submitted by March 1, 2021. Once approved, exhibitors will have to re-enter on the opening date of the Trial.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials only*. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program™** be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
